#### MINIMUM AGE REQUIREMENTS.

No dog shall be delivered by any person to any carrier or intermediate handler for transportation, in commerce, or shall be transported in commerce by any person, except to a registered research facility, unless such dog is at least eight (8) weeks of age and has been weaned.

All dispositions were reviewed from January 01, 2009, to August 04, 2010. Puppies 300-09, 301-09, 302-09, 311-09, and 312-09, all had birth dates of July 20, 2009. These same puppies were sent into commerce by the license holder on September 12, 2009. This is two days earlier than the eight week requirement. Puppies 348-09 and 349-09 both had September 08, 2009, birth dates and were both sent into commerce by the licensee on November 02, 2009. This is one day earlier than the eight week requirement.

Sending puppies under eight weeks of age into commerce does not provide for the health and well being of the animals.

All puppies delivered into commerce by the licensee must be at least eight weeks of age. To be corrected in all future dispositions.

This inspection was conducted in the presence of the undersigned inspector and the license holder on August 04, 2010. A thorough exit review was conducted by phone on the evening of August 05, 2010, with the undersigned inspector and the license holder.

End of report.
